Support South Eugene Axemen Football by purchasing custom crushed 2009 Pinot Gris and/or 2009 BIG AXE RED.

ORDER BY THE CASE:

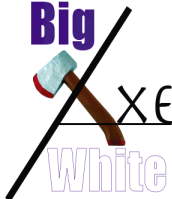

The Axemen Boosters have sought out Axemen Alumni winemakers to custom crush and bottle up a special vintage to raise funds for our current Axemen Efforts!! The Boosters will label up the Big Axe Purple & White cases and arrange for you to pick up. All you need to do is order!

Our BIG AXE RED comes to us from BIG CHEF John Caudill. Class of 1980. It is predominantly Cabernet Sauvignon (81%) with roughly equal parts Malbec & Petit Verdot all out of the Horse Heaven Hills in Washington. A smooth, delicious and Big Axe Red!

BIG AXE WHITE is the creation of Kevin Trexel. Class of 1985. On the heels of last year's Barrel Bottling Fund Raiser your feedback was for a white wine addition to our efforts. Enter, Trex with a delicious and refreshing Pinot Gris sourced from our own Willamette Valley.

YES! I would like to support South Eugene Football!
